

# How to view the care recipient's AN-ACC Classification in the Aged Care Provider Portal (ACPP)

Under legislation that commenced 1 October 2022, the Australian National Aged Care Classification (AN-ACC) care funding model replaced the Aged Care Funding Instrument (ACFI).

This now involves an independent assessment to determine classifications levels for care recipients for care funding purposes.

1

In the care recipient's profile, go to the **AN-ACC classification summary** under the Funding classifications tab.

2

This will display the **current** and **historical** AN-ACC classifications for the care recipient.
