

Child Dental Benefits Schedule (CDBS) Claiming

Ensure you're eligible to provide services under the CDBS program.

Confirm your patient's eligibility and check their cap balance through Health Professional Online Services (HPOS) or call 132 150.

Discuss proposed services to be provided on the day, associated costs, billing arrangements and obtain consent.

Provide the services

Bulk billing

Ensure services are covered by a bulk billing consent form signed at the time of the first visit in that calendar year.

Private billing

Ensure consent is documented on the day with appropriate signature(s) on a **patient consent form**.

Claim the bulk bill benefit or issue an account for private billing.

Retain records of services performed and consent forms for 4 years.

Go to servicesaustralia.gov.au for more information on the CDBS.
