You may now be able to apply for your subsequent MPN Online. Refer to [Online MPN application for eligible cohorts fact sheet](#) for more information.

1. Authenticate who you are

Register for PRODA*

PRODA is an online authentication system used to securely access certain government online services.

*PRODA (Provider Digital Access)

Link PRODA account to HPOS*

HPOS is an online service that provides a fast and secure way for you to do business with us online.

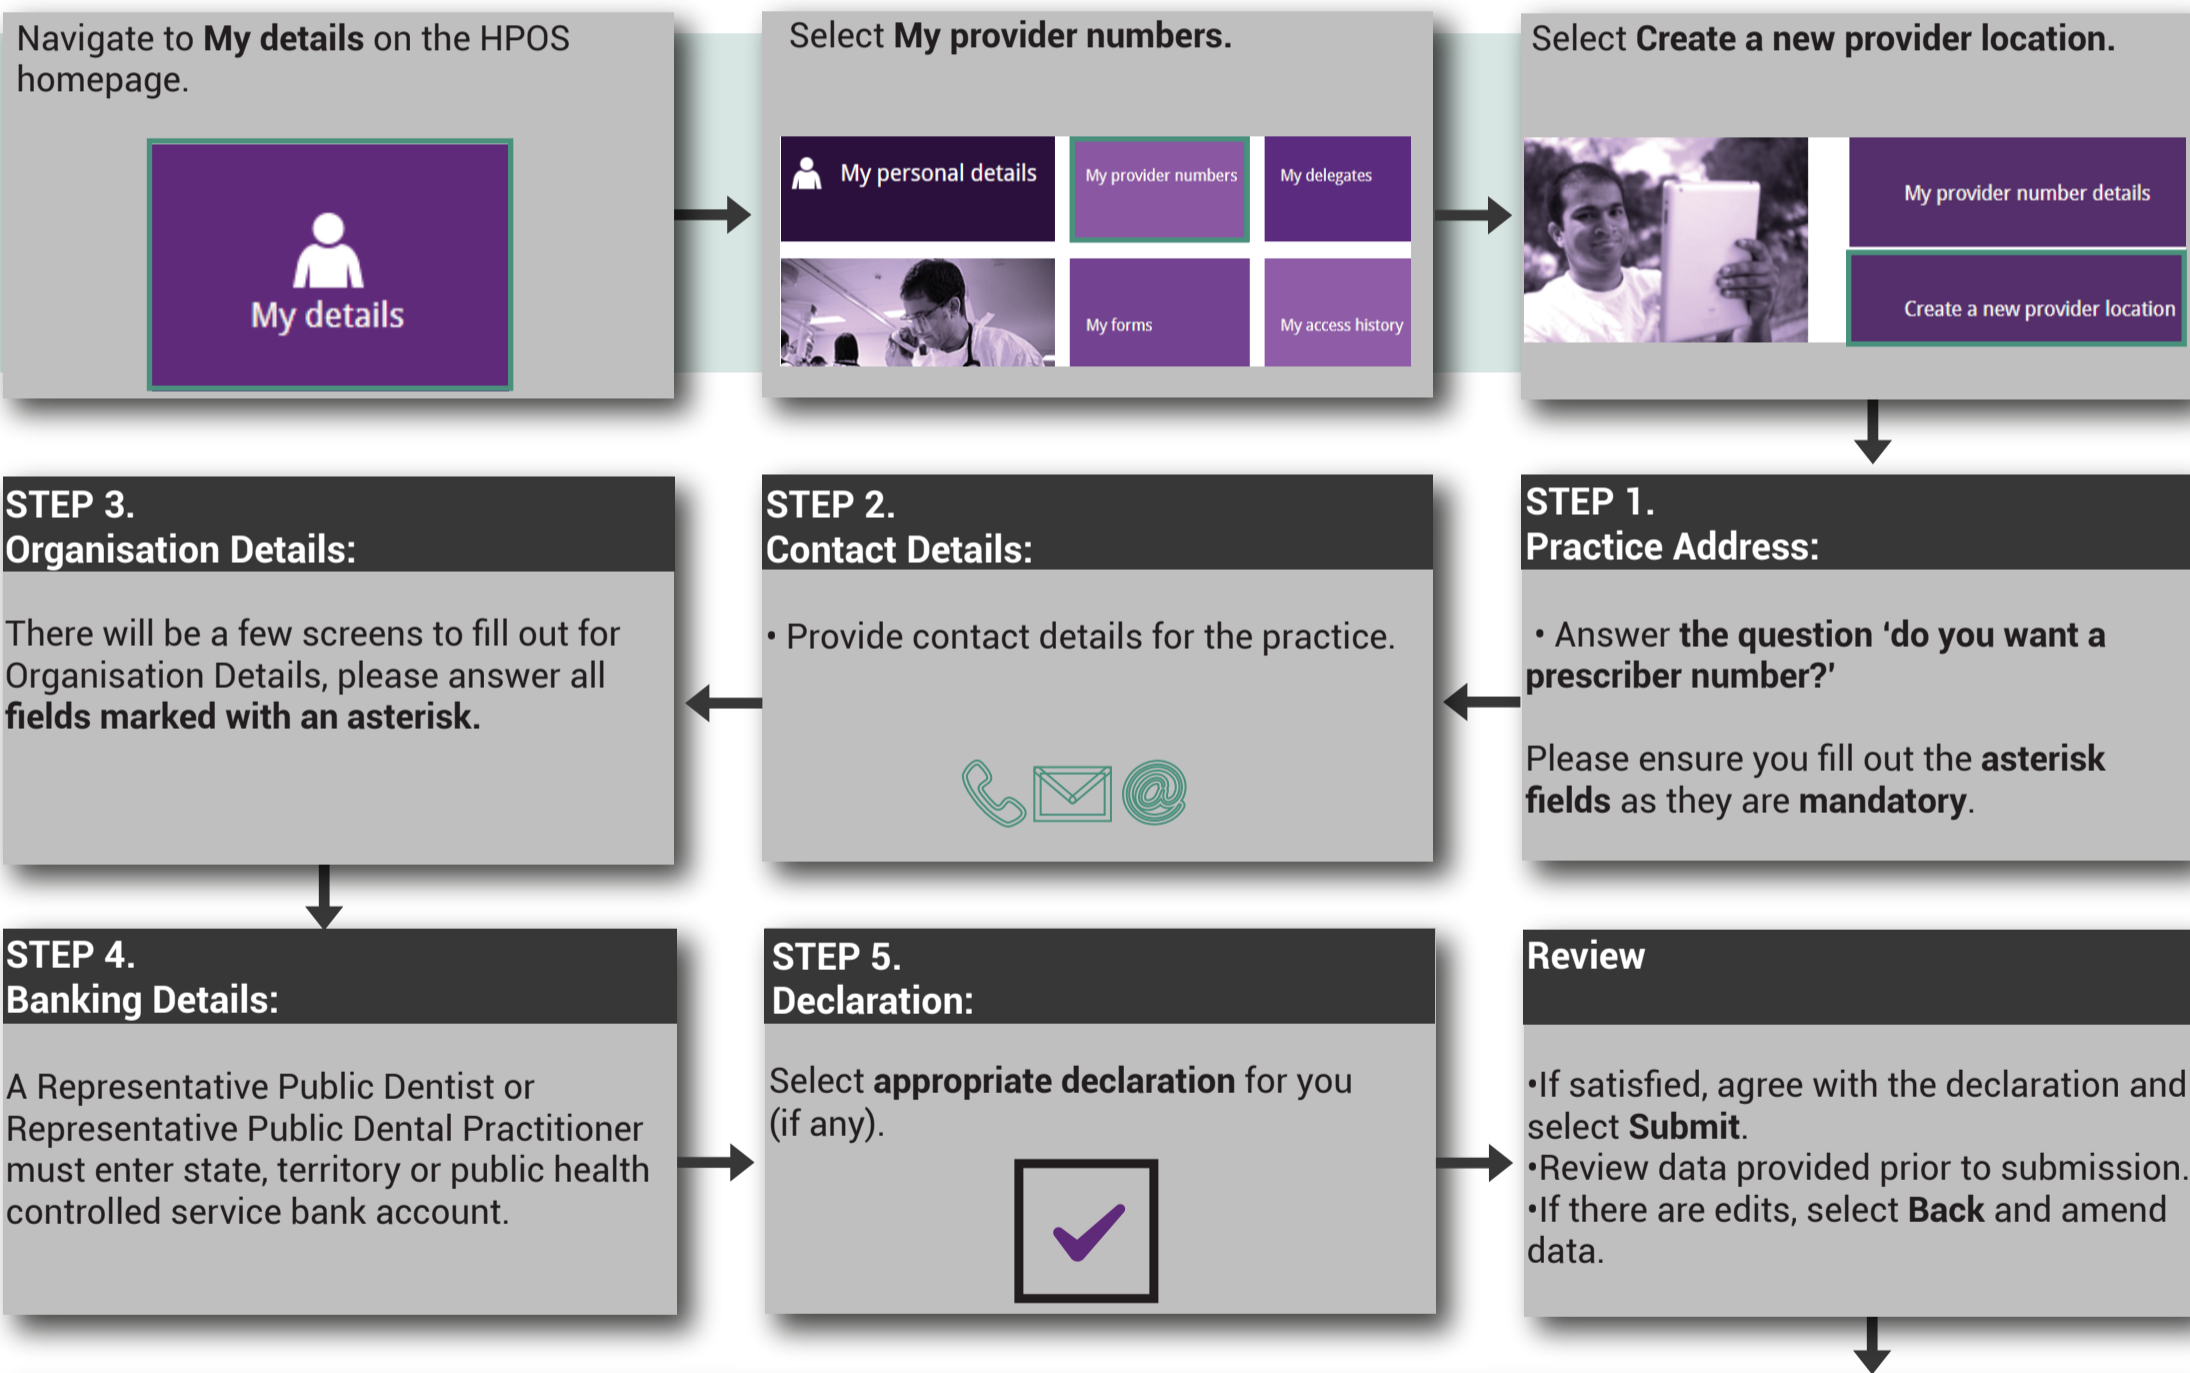

You can use your Ahpra registration number to link PRODA with HPOS.

*HPOS (Health Professional Online Services)

2. Complete your online application

When applying for your subsequent MPN online, follow these steps.

Most online subsequent MPN applications will have a provider number issued immediately. However, some online subsequent MPN applications will require additional processing by Services Australia.

If your MPN and/or prescriber number application is approved, you will be notified of this via HPOS.

If the application is rejected, you will be notified via mail to your postal address.

Note: some prescriber number applications will be processed by Services Australia staff.
